## **Sponsorship**

The Handbook on Emmaus devotes an entire chapter (3) to Sponsorship and stresses the importance of good sponsorship. The board asks sponsors to read that chapter before pilgrims are committed to a Walk. The Handbook on Emmaus chapter 3 is available on the website at

<http://www.crosspointemmaus.org/sponsorship.pdf>

In considering sponsorship of a pilgrim, we ask that you read the following information and pray for the participant's openness to God's call to discipleship.

- Sponsorship can be unwise or wise. Wise sponsorship is careful, intentional, prayerful, and purposeful because it results from God's leading. The pilgrims are to return to their churches and community renewed in their commitment to be effective disciples.
- The aim of a sponsor should not be "to get all my friends to go," to fill up the weekend, to fix people's problems, or to reproduce one's own religious experience in others. The aim of the sponsor is to bring spiritual revitalization to Christians who will, in turn, bring new life and vision to the work of the church in the congregation, home, workplace, and community. The aim of sponsorship is to build up the body of Christ.
- If God is leading you to sponsorship, invite the participant to take part in the Cross Point Walk to Emmaus for the sake of a more vital relationship with Jesus Christ. Ask the participant to make a commitment by filling out a registration form. If the participant is married, the sponsor will speak with both spouses and encourage an equal commitment by each. If only one spouse is committed to attending, they are required to sit out one Walk for prayer to continue that there will be an equal commitment.
