

# Crosspoint Emmaus Campaign to bring Emmaus to Bolivia

## "News Update"

Dear Emmaus Friends,

Cross Point Emmaus is currently doing what very few, if any, Emmaus communities have ever done before. We are starting a new Emmaus community in another country—Bolivia.

When we started, we needed \$20,900 to send 19 Bolivian pilgrims on a Walk outside their own country. To date, we have received \$13,790. Thank you, Jesus! And, thanks to each one who has already invested. But we're not done yet. **We still need to raise \$7,110 and we need your help to do it.**

***We need YOUR prayers and YOUR financial investment to make this dream come true for the Bolivian people.***

Hopefully, we can wrap up our fund-raising effort by the end of June. Several Emmaus pastors and lay people have indicated that they want to see this miracle happen and will be sharing this opportunity with their Emmaus folks during the month of June.

**Emmaus pastors, I encourage you to talk to your Emmaus people this week or receive an offering this coming Sunday, June 28.**

After you receive the offering, you can make a check out to "Ardmore FUMC" with "Emmaus to Bolivia" on the memo line and mail to

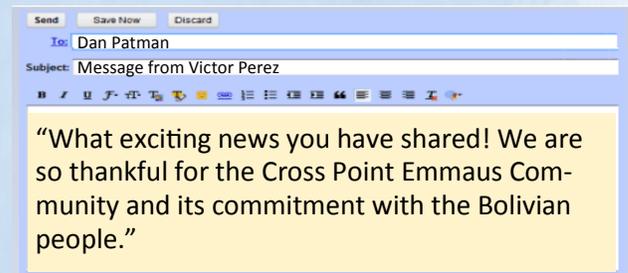

Ardmore FUMC,  
501 W. Main St.,  
Ardmore, OK 73401.

If you have already sent the check to some other source (OKC or Nashville), simply let me know by phone or text ((580-768-4314) the amount, where you sent it, and how you designated it. That way, we can keep a running tally.

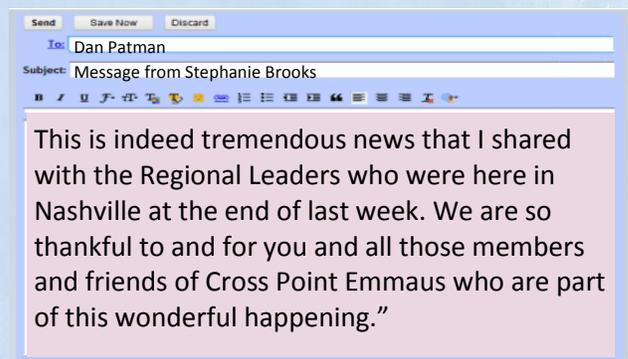

**Emmaus lay people, stop right now and pray for this effort. Ask God what you should do to help.**

You can mail your checks to the above address. And, again, I'll send out regular updates.

After our last update, Victor Perez, director of Emmaus for Latin American and the Caribbean, wrote:

Later Stephane Brooks, an Emmaus director in Nashville, wrote,

Let's pray for a miracle ingathering this week!
