

Cross Point Emmaus

Pilgrim Welcome Edition

Volume XXVI, Number 9a

September 2014

4th Day for You!

You've heard the 4th Day talk AND you have your own personal service sheet (finally!). So, what's next?

On the Tuesday evening following the women's walk there will be 4th Day meetings that will give you an opportunity to form a new reunion group or join an existing group. You will hear some great guidelines for making a successful and lasting group and you will get some additional insight about the importance of joining a reunion group.

The location and time of the 4th Day meetings are always announced during closings of the men's and women's walks. For this set of walks, there will be a 4th day meeting in Ardmore & Ada.

Date: Tuesday, September 30th
6:30 Ardmore— Calvary Christian Fellowship
7:00 Ada— H2O Church

Your sponsor made it possible to attend this Emmaus weekend. You cannot get here on your own and you will not be successful on your own either. Reunion groups are instrumental in keeping this Emmaus flame burning inside you for years to come. Don't let this fire go out.. **ATTEND THE 4TH DAY EVENT AND JOIN A REUNION GROUP!**

Welcome

Welcome Brothers and Sisters in Christ!

We trust your experiences on Walk 95 and Walk 96 have left you "open-eyed and wide-eyed" after being in the presence of our Lord and Savior at the thing we call Walk to Emmaus.

The Cross Point Community welcomes you into our fold. As you continue on your Fourth Day, we pray that you will not waste a minute in spreading the news of our risen Lord and Savior to a hurting world.

The Emmaus experience is different for each one of us, so don't worry if you are not feeling the same as your brother or sister you rotated around the table with all weekend. As we continue on this journey together, God will continue to reveal to us

the path we are to take.

As you noticed, the model of the weekend was brimming with "Servanthood." As Christ washed his disciples' feet, we too are called to wash each other's feet. Please be in prayer about what your servanthood is going to look like on your Fourth Day. The purpose of the Walk to Emmaus is to build leaders for local churches. We hope you go back to your church revitalized and recharged, ready to lead others to Christ and grow in their discipleship.

We look forward to growing in faith and discipleship with you as well as serving together on future walks if you feel so led.

The Crosspoint Emmaus Community Welcomes You!

DeColores!

From Rev. PJ Stewart Community Spiritual Director

When new Pilgrims leave the setting of the Walk, they are enthused, excited and "filled with the Spirit". They want to continue the experience of the Walk back home. The most obvious way to do that is to get involved in a Reunion Group. There you will find persons who have shared the same experience you have had and "speak the same language".

But the Reunion Group is not the "be all" or "end all" of the Emmaus experience. The purpose of the Walk to Emmaus is to build and strengthen discipleship in the local church. "Emmaus comes from the church, and Emmaus returns to the church." (1) That means that the Emmaus experience is to be lived out in the local church! Emmaus IS NOT to replace the local church as an avenue of spiritual growth and worship or discipleship. "The Emmaus movement is intended to

be...a leavening influence in the life of the church.”)We are called to be witnesses of the vitality of the Holy Spirit in our lives through our participation and leadership in the local church.

Local pastors are sometimes threatened by the renewed vigor and enthusiasm of the Emmaus pilgrim when that pilgrim wants the church to become like Emmaus. The best way to allow the pastor to appreciate the Walk to Emmaus is to offer yourself in service to the church! That will surely get the pastor’s attention. Every pastor is looking for willing and capable laity to carry the message and mission of the church within the congregation and into the world. We are encouraged in the Fourth Day Talk not to act like we have all the answers for the church or to act like the church is irrelevant to our spiritual growth. We are to be the “leaven in the loaf” bringing God’s amazing grace to a hurting world through our witness of faith, hope and love.

The Church needs Emmaus as a source of training and encouraging discipleship IN the local church. BE THAT WITNESS and resource to your church!

Sponsorship

Welcome to the Cross Point Emmaus Community. Clinta Taylor is your Cross Point Emmaus Registrar, and now is the time to be in prayer of who God places on your heart to be a sponsor. Sponsoring is not a position to be taken lightly and without much prayer. Let God work through you, to lead you to those that He has a plan to be leaders in the church.

Sponsorship forms are available on the Cross Point website along with addresses, email info. If you don’t have access to the internet, someone at your church or public library can help.

All of your Cross Point Emmaus Board of Directors want to welcome you the newest Members of our community! By now you realize at least some of the work that goes into preparing and staging a Walk.

Between walks there is also a lot of activity: volunteer applications must be received, teams selected, previous walks evaluated, leaders chosen, and preparations made for all the food, decorations, talks, agape, and logistics that it takes to “put on a walk”.

There is also fellowship. That begins with your Fourth Day, and continues with monthly gatherings. Gatherings are a time to share experiences, worship together, share food and friendship. We hold gatherings the second Saturday every month.

At www.crosspointemmaus.org, you can find volunteer forms, sponsor forms, maps, board member addresses, and all the community members under My Contact. We have added electronic sign-up sheets for the prayer vigils and for food agape.

The regular newsletter comes out monthly, usually the first week of the month, and announces the gathering and contains other articles/testimony/pictures that have been sent to the editor using info@crosspointemmaus.org or you can use my email address: joydouthit@yahoo.com. The mailing address is: 737 14th Ave NW Ardmore, OK 73401. if you have a something you’d like to share, contact me! I look forward to from you!
